

Apostles in Action

ConQuest Lemont Boys Club hosted an Apostles in Action event on Friday, December 7th. Our club members and visitors traveled to Rush Copley Medical Center to deliver presents and sing Christmas carols for the patients and nurses there, we were 30+ in all.

Apostles in Action is an opportunity for each person to share the love of Jesus Christ with the people we meet. We were able to wish each patient a Merry Christmas and a speedy recovery. Perhaps, in some small way, we brought the joy of the Christmas season to the people we met.

Visitors and guests (children ages 5 to 16) were invited to join in the fun. Everyone of the children had a great time and the nurses complimented the children for their music.

Mrs. Sutkowski and the boys sing Christmas carols for the nurses and patients at Rush Copley Medical Center in Aurora.

A big THANK YOU goes to Mr. and Mrs. Sutkowski for setting up the event and for hosting the pizza and gift wrapping party. All the boys and parents enjoyed being Apostles in Action..
