

## Form Your Conscience

Responsibility is a virtue. Each one of us has the responsibility and has personal accountability to form our own conscience. You are solely responsible for the choices in your life; prepare yourself to act with proper guidance so that you choose wisely. You must be able to take responsibility for your actions; don't make excuses or blame others.

The boys had a great time on Friday evening. The Father/Son division learned about Jonah and the whale. Jonah had a responsibility to go to Nineveh, didn't he?

The Junior division learned about St. Peter, the rock that the Church was built on. There's a responsible role to play. We have our own responsibility to build up the Church today, don't we?

The Senior division learned about having joy and enthusiasm for their mission; to be the best version of themselves (as Matthew Kelly would say). They also talked about organizing the club to sell Lenten calendars. Editor's note: our first shipment is sold and a second shipment is on the way.

Welcome Mr. Jonker, the Vice President in charge of our Junior Division program.

Mr. Jonker - Vice President Junior Div.

Mr. Jonker has agreed to help the club in a significant way by leading Junior Division. He will be calling on other Dads to help with the program as well. Mr. Severt and Mr. Biernat are already in line to lead the sports and recreation portion of our meetings.

We have youth leaders ready to take their turn presenting the lesson to the younger boys. This is an excellent opportunity for the guys to practice speaking in front of a group and to share their knowledge of the story with their friends.

See you at our next meeting...
