

Loyalty to Country

Loyalty can be found in the faithful allegiance to one's government; as in being faithful to the United States of America. Loyalty to the USA was one of the themes the boys used in their skits tonight. They also created skits based on lessons learned from earlier in the virtue campaign: Gideon defeats the Midianites and loyalty within the Holy Family.

The boys performed their skits in front of the other squads at the end of our club meeting. The top skits were Charlie squad (Junior Div.) with their US soldiers loyalty to Country skit, the Able squad (Junior Div.) with their Jesus' loyalty to Mary skit, and the Delta squad (Junior Div.) with an enthusiastic Star Wars theme.

The boys' skits were fun, creative and we had good participation from all the groups. The boys did a great job again this week. Thank you to all the Dads who are on hand to help with the boys. You add a lot of value to our club.
