

Loyalty to the Church

Loyalty is being faithful to a cause, ideal, custom or institution, as in being faithful to the Catholic Church. The ConQuest boys heard that loyalty means being faithful to the Church just like the Bishops in our area who are tending to all the people in their Diocese.

His Holiness
Pope Benedict XVI

We can also show our loyalty to the Church by listening and following the writings and teachings of the leader of the Catholic Church, Pope Benedict XVI. He encourages each of us to live a life of unity and charity. Don't take the easy road but show your loyalty by doing what is right and consistent with the Pope's teachings.

Some of our ConQuest boys were able to show their loyalty to the Church in the service projects they worked since our last meeting. For example, at Holy Trinity Church of Westmont Josh B., Francis, Luke and Iggy S. helped boys in the confirmation

class with a service project. They removed 20 cut logs and rakes a huge pile of leaves along with other yard work in the neighborhood.

The Junior boys hear a lesson about Loyalty from one of the Seniors.

Is there a service project that you can do at your parish? Ask your Priest, Associate Pastor or Deacon if he has a job for you. Get other boys to help you do something big for the Church. There are people in your Parish who would appreciate your help. Ask what you can do...
