

Loyalty to Jesus Christ

On Friday evening, we started our second campaign of the program year with the virtue of Loyalty. The boys learned that loyalty is, in part, devotion to a special person. A good example of a person who deserves our loyalty is Jesus Christ. Jesus, as the Son of God and our Savior and Redeemer, is most worthy of our loyal devotion.

The boys said they can show this loyalty in their prayers, by participating well in Mass, reading about Jesus in their Bible, honoring their Father and Mother and behaving as good ConQuest boys. (Editors note, check the commitment card and Home Points worksheet for ideas in this area.)

The boys also see in Superman, Batman and Spiderman qualities of a hero that would inspire loyalty. They see the ideal of doing good deeds for others and helping those who need our help, whether we have super powers or not.
