CONQUEST

## Fri, Nov. 19, 2010. Conquest Lemont Boys Club Meeting Newsletter

**Virtue Lesson: Kindness** - one marked by goodness and charitable behavior, mild disposition, pleasantness, tenderness and concern for others.

At our regular club meeting the Father/Son boys and the Junior boys presented a poster that each squad created to show what they had learned about the virtue of kindness. The boys drew an original poster that demonstrated either the story of the holy hero they has studied over the previous two weeks or illustrated examples of kindness or both.

In the pictures below you see one squad giving their presentation in front of the entire club while all the other boys attentively listen for the lesson. After all four squads had an opportunity to share their poster, the judges had the difficult task of selecting a best in class poster presentation.

All the boys did a great job demonstrating what they had learned about kindness.

**Snack time and Sports.** Each meeting the boys enjoy a halftime snack generously donated by a member family. The boys are organized by age group to play sports during the meeting. Lately, they like playing dodgeball and “survivor”.

**Seniors Night Out.** The Senior boys enjoyed a game of Pictionary, prayed the Rosary and listened to an apologetics talk by Br. Dustin.

Thank you to the Sutkowski family for opening their home for the senior boys. This is a great opportunity to create friendships and learn more about what it means to be an apostle for Christ.

They study about their faith and talk about how to put that faith into action. Keep up the good work.

**Apostolic Event at Hines VA Center for the Blind.** 15 boys participated in the recent apostolic event visiting the veterans at the VA Center for the Blind. A special thank you goes out to Mr. Gutierrez, Mr. Dillenburg and Mr. Skrzypczynski for their assistance during the visit and for chaperoning the event.

The boys hosted a party for the veterans, brought gifts to share and spent time visiting with the residents. This was an opportunity for all the boys to learn a valuable lesson in kindness and the meaning of service.
