

## CONQUEST LEMONT BOYS CLUB

# John Michael Talbot Music Ministry May 31, 2010

**Everest Academy of Lemont and Conquest Lemont Boys Club joined forces to host John Michael Talbot Monday,**

**May 31.** This was a family event where everyone, young and old, enjoyed the music ministry of John Michael Talbot.

Talbot believes that sacred music is sacramental and, from an arts perspective, both reflects and guides the faithful. That music, based on faith, can take the listener on a closer walk with

God, actually taking them into the heart of the Lord. "It brings

out the mysterious and speaks the unspeakable, bringing to

light that which is beyond human reason. Furthermore," he

says, "the role of music and prayer fulfills a prophetic function.

Not that musicians are prophets," he notes, but they do have an

obligation to lead."

Thank you to everyone who made this music event possible, in

particular, Mr. and Mrs. Sutkowski for their leadership.
