CONQUEST

Recreation was dodge ball, including for the Junior and Senior divisions, the ever favorite medic dodgeball version. We also introduced a new survivor dodge ball followed by one game of classic survivor.

The seniors learned about intellectual formation while they reflected on the gospel of Luke where the 12 year old Jesus amazed the rabbis in the temple with his questions and interpretation of scripture.

Our 11, 12 and 13 year old seniors were able to relate to Jesus as a boy their age and see the importance of knowing their faith so they can be effective at spreading it.
