

## Loyalty to Friends

Loyalty is being true to my family, leaders, friends, community and nation. It is the honor you show that thing/person when they aren't around....when it isn't in your best interest to be loyal to them yet you still are.

This week the boys demonstrated their knowledge of the Catholic faith by competing against each other in a Catechism competition. Each division organized into squads, small teams who earned ConQuest points for correct answers. The competition was fierce as several squads moved higher in the overall campaign point totals after the Catechism competition.

Each squad can earn more points before the end of the Loyalty campaign. This Saturday, the boys will compete in a sports competition at Warren Dunes. Look at our web site for more information.

You can also earn ConQuest points for every Champions of Faith DVD your purchase. There are great Christmas gifts for your friends and family. Earn extra points with The Better Part book of meditations.
